Press Release

Qualcomm Signs 3G/4G Chinese Patent License Agreement with EWPE

APR 5, 2016 | SAN DIEGO

Qualcomm products mentioned within this press release are offered by Qualcomm Technologies, Inc. and/or its subsidiaries.

Qualcomm Incorporated (NASDAQ: QCOM) today announced that it has entered into a new 3G and 4G Chinese Patent License Agreement with Zhuhai Ewpe Information Technology Inc. (EWPE), a subsidiary of Gree Electric Appliances, Inc. Under the terms of the agreement, Qualcomm has granted EWPE a royalty-bearing patent license to develop, manufacture and sell 3G WCDMA and CDMA2000 (including EV-DO) and 4G LTE (including "3-mode" GSM, TD-SCDMA and LTE-TDD) subscriber units for use in China. The royalties payable by EWPE are consistent with the terms of the rectification plan submitted by Qualcomm to China's National Development and Reform Commission.

"We are pleased to enter into this license agreement with Qualcomm, which again demonstrates our recognition and protection of IP," said Dong Mingzhu, chairman and president of Zhuhai Gree Electric Appliances Inc. "We look forward to bringing new choices in 3G/4G devices for Chinese consumers. This license from Qualcomm will support us in bringing new and exciting devices that have the power, functionality and connectivity in demand today."

a competitive line of GREE devices to consumers."

About EWPE

EWPE is a subsidiary of Gree Electric Appliances, Inc. Gree Electric Appliances Inc. of Zhuhai was founded in 1991. It is an international electrical appliances enterprise which has integrated R&D, manufacturing, marketing and service. It has developed three brands, namely GREE, TOSOT and KINGHOME, with a wide product range, including residential air conditioners, central air conditioners, air source water heaters, mobile phones, home appliances, refrigerators and other products. Its self-owned brand business reaches more than 160 countries and regions, with more than 300 million users all across the world. In 2015, Gree ranked No. 385 in Forbes Global 2000 and No. 1 in household appliances industry section.

About Qualcomm
